

Spa Treatments

Massage

SWEDISH

Applies pressure to the deeper muscles and bones by massaging in the same direction as the flow of blood circulation. Known as a sports massage, Swedish massage relieves sore muscles, increases flexibility, and promotes general health.

Body Treatment

JAVANESE

Originated from the kingdoms of Java. This treatment begins with turmeric, sandalwood, and many more herbs and spice body scrub which leaves skin clean, fresh, smooth, and soft. Treatment continues with acupressure massage using the thumb to release tension, increase circulation of blood and heighten energy to aid healing. The treatment ends with a body whitening mask and a warm fresh flower bath to make skin look even more radiant.

90 min

GREEN TEA

Refresh and renew with an antioxidant-rich tonic to reduce inflammation, green tea provides the body with powerful detoxifying effects. Green tea and light massage is producing a real sense of relaxation while hydrating and nourishing the body.

990

90 min

CHOCOLATE

Combines chocolate and a relaxing massage. The cocoa bean has a fiber coating that helps to break down harmful free radicals (the molecules that cause wrinkles), and the grease of cocoa butter helps to hydrate and soften the skin.
